 Reusable Bags - Giveaway**

Is it time for another Giveaway yet?

I'll admit, I've never really jumped on the band wagon when it came to using reusable bags. But, I've recently been converted thanks to stores out there who started giving credit to their customers who do use them. Since I started using them I always think to myself, why didn't I use these sooner? It is so nice to stuff your bag full of heavy things and not have to worry about it ripping open!

Currently  
 Target gives \$0.05 per reusable bag.

Over at CVS, you can buy this tag for \$0.99; attach it to your reusable bag, and they'll scan it at every purchase. After four scans, you'll get \$1 ECB! Isn't that cool?

So for this giveaway, one lucky reader will receive this cool Chico Bag, a CVS tag, AND if I get over 20 entries, I'll throw in a \$10 Target Giftcard!

You can do 3 things to enter:

1. Tell (email, text, phone, blog, etc.) 5 friends about my blog
2. Become a follower of my blog
3. Grab my Button and post it to your blog or facebook for at least one week
