Practical Magic: Useful Items for Families

By Bonnie Kimberly Taylor

If god is in the details, then the small things that render life easier are heavenly. Here are a few items that help keep your home running smoothly when kids create chaos.

Barnes and Noble's Home & Gift section is a rich source of useful items for home and children, and for keeping everything organized. Products include an array of distinctive cookbooks for children's rooms, sketchbooks and art supplies for budding creative directors, dragon messenger bags for schoolkids, all manner of lighting, storage furniture and shelves, colorful Moleskin notebooks, arts and crafts, quality products for a wedding registry and much more. Stroll down the e-aisle at <http://www.barnesandnoble.com>, and have everything sent straight to your doorstep for convenience.

Chico Bags assist at the green market, the beach, for toting toys and baby supplies on strollers, and for juggling around groceries. Now there's a new Chico Messenger Bag for far school books, laptops, library books, sketch pads or books for the park. Be green with Chico - these bags can scrunch down to the size of an avocado to fit into a side pocket in your purse or coat. Choose your favorite model at <http://www.chicobags.com>.
