ChicoBag Company helping SAVE THE FROGS!

Each year the world produces 500 billion bags, and many take up to 1,000 years to decompose. In America alone, 1.14 million brown paper bags are used every hour! The **ChicoBag Company** makes fantastic environmentally-friendly re-usable totebags. These high tech bags are made out of 7 recycled plastic bottles and look great.

The **ChicoBag Company** has been generous enough to offer SAVE THE FROGS! these bags at a significantly reduced rate. Get yours when you **become a member** of SAVE THE FROGS! You'll be saving the planet and spreading the word about frog extinctions at the same time!
